Richmond/Wayne County has plenty of child-friendly, family-oriented activities that kids of all ages will enjoy. You may want to search for fossils in the White-water Gorge and Thistlethwaite Falls, or relive the past by viewing hiding places where freedom seekers hid at the Levi & Catharine Coffin State Historic Site. Maybe you'd rather use your creative talents by painting a piece of pottery or check out a performance at the Stage One Theatre and afterwards get a sundae at one of our locally-owned ice cream parlors before heading out again to explore nature and the many beautiful trails! The possibilities are endless!
