Richmond/Wayne County has plenty of child-friendly, family-oriented activities that kids of all ages will enjoy.

You may want to search for fossils in the Whitewater Gorge and Thistlethwaite Falls, or relive the past by viewing hiding places where freedom seekers hid at the Levi & Catharine Coffin State Historic Site.

If you'd rather use your creative talents by painting a piece of pottery or check out a performance at Stage One Theatre and afterwards get a sundae before heading out again to explore nature and the many beautiful trails!

The possibilities are endless!
